BROADENING THE DIALOGUE

OPADD APPROVED AS A COMMUNITY OF PRACTICE WITHIN SHRTN

OPADD has received approval of its proposal to remain a Community of Practice within SHRTN for 2009/10. Sandy Stemp and Jennifer Pimeck are co-leads for the Community of Practice. Continued participation with SHRTN opens doors to a broader more inclusive dialogue and additional resources to realize the Vision.

ACKNOWLEDGING LOCAL CHAMPIONS – SETTING FUTURE DIRECTION

SUCCESSFUL PROVINCIAL SYMPOSIUM

The Honourable Madeleine Meilleur, Minister of Community and Social Services, Minister Responsible for Francophone Affairs addressed the symposium. In her remarks, the Minister acknowledged the work of OPADD in building systemic capacity to support adults with developmental disabilities as they age.

A series of dialogue sessions during the symposium allowed delegates to identify where we are, explore where we need to go and how to get there. The proceedings of these dialogue sessions will be made available to symposium delegates and stakeholders in the next few weeks.

Results of the symposium evaluation will be made available in the near future.

MAINSTREAMING

REGIONAL COMMITTEES ARE KEY

The key role of regional committees in moving the work forward was highlighted at the symposium. Delegates were encouraged to join their respective regional committee. Regional committees provide the traction for addressing inequities in accessing seniors services and programs for older adults with developmental disabilities.
