

That older adults with a developmental disability have the same rights to support and services as all older Ontarians

UPDATE MARCH 2009

PROVINCIAL SYMPOSIUM MARCH 9, 10 AND 11 2009

The Honourable Madeleine Meilleur, Minister of Community and Social Services, Minister Responsible for Francophone Affairs will be **addressing the symposium** at 8:45 AM Wednesday March 11 2009.

The symposium is not just another conference. It is an important event to examine where we are and where we need to go in building system capacity so older adults with a developmental disability have the same rights to support and services as all older Ontarians

If you have not yet registered - do so today! The Sheraton Parkway Hotel has agreed to keep the low symposium room rate on after the deadline of Feb 21 so you can still book your accommodation at low rates.

Experts, local innovators, champions and leaders will be sharing their experience with building system capacity to realize the OPADD Vision.

Symposium Brochure and registration form available at www.opadd.on.ca on the home page under Quick Links

OPADD Dialogue - there will be three dialogue sessions during the symposium during which delegates will have opportunity to identify where we are and where we need to go. The proceedings of these dialogue sessions will be published and made available to symposium delegates as well as all stakeholders.

OPADD PROJECT WINDS DOWN

OPADD project funding will be exhausted at the end of April 2009. OPADD will continue its work and is in a much stronger position to do so today with the infrastructure which the project helped to put in place. OPADD's eight regional committees remain a key element in focusing the dialogue and engaging players across Ontario. Support your regional committee.
